Britain Renews Conscription

After considerable soul-searching, Great Britain has decided to extend compulsory military training five years, with all youths subject to a year's training when they reach 18. The Labor Party had a record of traditional opposition to peacetime conscription, but in this, as in other problems, it finds it is confronted with a condition, not a theory.

Like the United States, Britain has had a tradition of voluntary military service. In the 14th century, parliament forbade the calling of militia to serve in foreign lands. The militia was put on a selective basis in 1757, on a voluntary basis in 1852.

Like the United States, Britain has a large number of citizens who hold peacetime conscription violates the right of conscience and that to maintain an army by such a method is Hitler's way. There also are those who object to the cost who claim it fosters imperialism.

Only 44 votes were cast against the measure in Commons after the debate, in which Labor Minister Isaacs said, "There can be no individual liberty if national liberty is lost. To retain and maintain our national liberty, this bill is necessary."

Congress eventually is going to have to decide the matter of peacetime conscription in the United States. Its opponents will present persuasive arguments. Britain's Laborite House of Commons has heard them all, yet, with world conditions as they are today, couldn't see its way clear to heed them.

Iron Horse Here To Stay

Eastern railroads have been given permission to raise basic passenger rates 10 percent. This seems to form one kind of a design with other items about railroads in the same day's run of news.

The railroads' 1946 safety record was the worst in 17 years, and the way things are going so far this year may be topped by a worse headache in 1947.

The railroad brotherhoods, still hot and bothered because they were forbidden to cripple the country with a strike a year ago, are celebrating the first anniversary of President Truman's decision to quit being afraid of unions by talking about a strike late next fall.

Robert R. Young, the newcomer who makes odd timers in the business see red, has come out for radio and radar railroad signal systems, lighter equipment, higher speeds and more attention to the comfort and convenience of passengers.

These things fit together, in a random fashion. There is one more item that fits too—plans for a "freedom train" to go from city to city bearing certain historic documents. The country thinks of the railroads themselves as a symbol of freedom. They are in trouble financially. Their employees are restless. But here and there men keep plugging away, men with enough confidence in the future of the iron horse to make him a good bet for the long pull.

Wool Gathering

House approval of a bill that could add much as 50 percent to current duties on wool is causing alarm in the State Department, which foresees collapse of the Geneva trade conference if the measure becomes law. A presidential veto is predicted unless a more moderate bill is worked out with the Senate.

Wool is a good example of a commodity in a state of suspended animation. Government sales stopped last January because wool no longer could be sold at or above parity. With a year's supply on hand, the government stopped purchases in April. Since then almost no domestic wool has been marketed. Producers are holding back, hoping for higher prices. Purchasers are reluctant to buy because they expect lower prices if pending legislation fails. Only the sheep aren't marking time.

American wool growers say they can't produce profitably at present prices—that wool is slightly below parity while all other farm products are well above it. It isn't pleasant to contemplate where clothing prices would be if wool brought what producers think it should.

Depending on foreign supply for more than half its needs, the United States can't erect too high a tariff wall. As one of the principal sponsors of an effort to revive international trade, it would be setting a poor example by shutting out imports of a commodity it needs.

Travel's So Broadening

Seven thousand American students will have an opportunity to study abroad this summer under a government-sponsored plan worked out with the Maritime Commission. Two ships will make eight round trips between June and October, carrying students to England, France, Norway and the Netherlands where the leading universities are arranging sessions for them.

Before the war there was nothing like foreign study to add polish to a scholar's record. "He studied at Oxford," or "The Sorbonne gave him a degree" was roughly the equivalent of "summa cum laude" from an American university. The fact that some of these foreign courses might be nothing more than a short series of lectures didn't detract from the glamor of foreign study.

Students who go abroad this summer should find travel even more broadening than did their postwar predecessors. They will have an opportunity to see lands where discontent and unrest are rife, where hunger is a very real specter, where the shock of war has just begun to wear off and where only a fortunate few live as well as the average American. Our traveling students may learn much in Europe's universities, but the observant ones among them will bring back far more memorable lessons learned outside the lecture halls.

The Stars Say

For Wednesday, May 28

A DAY of rather critical and conflicting situations is seen from major planetary configurations. There is definite promise of a combination of influential interest, brilliant ideas and bold adventures, with a coalition of forces, resources, plans and objectives, but false moves, half-baked ideas or tactics, blunders or trickiness might jeopardize all fair prospects. Erratic or impulsive moves may complicate and provoke anger and negative results. Give pause for reason and good judgment.

For The Birthday

Those whose birthday it is, while on the eve of a year of much activity and strenuous performance, in which the undivided support of those in high places whose funds, ideas and general resources are needful for sound development, might be swerved from such collaboration by underdevelopment, or even by misrepresentation or show of trickiness or deception.

Strange predicaments or character involvements, erratic or emotional impulses, might antagonize or forfeit influential interests. Rationalizing and intelligent management might turn the tide to conspicuous success. Principle, restraints and poise may avert injury and loss.

A child born on this day while possessed of constructive ideas with promising ingenuity and skill, also has erratic and strange urges, impulsive and emotional, to negative its major plans and objectives.

Ohio "Grandma" Has 177

Descendants Now Living

NAPOLÉON, O., May 27.—Ohio's candidate for "Grandma, America of 1947" was 93 years old Sunday, and she has 177 living descendants.

Mrs. Barbara Gilgenbach Elch-

inger of nearby Holgate was nominated for the title in the house of representatives in Washington last week by Rep. Cliff Clevenger. To back her candidacy, Grandma Elchinger has: 11 children (nine living); 66 grandchildren; 87 great grandchildren, eight great-great grandchildren, and seven great-great-great grandchildren.

The human voice is limited to a range of about three and one-half octaves, but the average individual can cover less than one-half of the range.

COLUMBIANA GRADS TO HEAR CRAMBLET

Commencement Address By Bethany President Wednesday Night

COLUMBIANA, May 27.—Dr. W. H. Cramblet, president of Bethany college, Bethany, W. Va., will give the commencement address at exercises of Columbiana High school in the high school auditorium at 8 p. m. Wednesday, when a class of 47 will be graduated.

"Knowledge in Youth is Wisdom in Age" is the class motto, white carnation its flower, and yellow and green its colors.

This program will constitute the commencement exercises:

Processional, "Pomp and Chivalry," High school orchestra; invocation, Rev. Donald G. Gregory of the Christian church; "Giannina Mia," from "The Firefly," High School Glee club; presentation of Detweiler award, Fred Detweiler, two-piano number, "Deep Purple," Sally Koch and Jean Heltzell; "Mazurka," High school orchestra.

Address, "World View," Dr. Cramblet; "March of Toys," from Babes in Toyland, High School Glee club; vocal solo, "In the Garden of Tomorrow," Marian Baker; vocal solo, "I Know a Lovely Garden," Jennie Childers.

Presentation of class, Principal D. W. Bailey; awarding of diplomas, Earl H. Newell, president of the board of education; benediction, Rev. Lawrence J. Rule of the Church of the Brethren; recessional, "In Apollo's Temple," High School orchestra.

Supt. H. F. Richmond will preside. Mrs. Jean Ralph Snow is glee club director, and M. R. Wheeler orchestra director.

The Detweiler award, a silver medal and \$50 cash to one graduate, is for scholarship, citizenship and sportsmanship.

7,000 Farm Fatalities Result of Motor Vehicles

CHICAGO, May 27.—The National Safety council said today that 18,500 of the nation's farm residents were killed in all types of accidents in 1946 with 7,000 of the fatalities resulting from motor vehicle mishaps.

The 1946 total was nine percent more than the 1945 toll of 17,500 and the increase was due, the council said, to the rise in motor vehicle deaths from 5,500 in 1945 to 7,000 last year.

3 Stores In Columbus Damaged By Fire Today

COLUMBUS, May 27.—A three-alarm fire gutted three downtown stores and damaged upstairs offices early today in a four-story brick building in the downtown area here.

The fire was brought under control at about 3 a. m., less than an hour after it started. A record shop, shoe store and restaurant on the ground floor of the building, located on South High st. near Town st., were hard hit by the blaze. Damage, it was estimated unofficially, would exceed \$100,000, including store stocks.

In addition to the record shop, damage extended to the Modern Youth shoe shop, Moskins clothing store, the Shapiro Optical Co. and at least eight offices including those of the Ohio Newspaper association and the Ohio Council of Retail Merchants.

Capital Punishment In Russia Lightened

BY EDDY GILMORE

MOSCOW, May 27.—Capital punishment has been abolished by the presidium of the Supreme Soviet and the move was hailed by Moscow's press today as an indication that the Russians are convinced there is no danger of another world war. The presidium's decree itself said that "the causes of peace can be considered as secured, despite the attempts being made by aggressive elements to provoke war." It added that the application of the death sentence no longer was necessary "in peacetime conditions."

Deputy Foreign Minister Andrei Y. Vishinsky, writing in the Communist party newspaper Pravda, said "the presidium of the Supreme Soviet, in taking the decision banning the death sentence, took into consideration the international situation."

He said there was no universal threat to peace, despite "the provocative speeches of some foolish American senators like Thomas, Russell, Brester and others."

The death penalty has been invoked chiefly in cases of persons convicted of offenses against national security. For the same crimes for which capital punishment has been meted out, offenders henceforth will be given 25 years at hard labor.

The Soviet union's principal newspapers welcomed the decree, and heavily stressed its international aspects.

Sugar Situation Shows Improvement

Stamp No. 12 Good Now: New Stamp To Be Validated by Aug. 1

(By Associated Press) WASHINGTON, May 27.—Household sugar shortage problems are being eased rapidly.

The Agriculture department came up with this good news for the housewife:

1. Spare stamp No. 12 in ration books may be used for 10 pounds of sugar immediately rather than on June 1 as previously announced.

2. A new rationing stamp good for 10 pounds will be validated not later than Aug. 1, and

3. If the sugar picture continues to improve the individual consumer can get more than the 35 pounds previously allotted him for 1947.

The department's action yesterday assures consumers the full 35 pounds of sugar promised under the 1947 sugar control extension act and makes it available by Aug. 1.

Spare stamp No. 53 good for 5 pounds expired March 31; spare stamp No. 11 was validated for 10 pounds and is good until Oct. 31; spare stamp No. 12 will expire Oct. 31.

The number of the new stamp to be validated was not announced.

LISBON, May 27.—D. F. McIntosh of Canton today acquired the Beard Engine and Equipment Co. here from William Beard. The company name was changed to the Diesel Engineering Service, with F. W. Bruchey as manager.

School Superintendent Named Illegally, Claim

CLEVELAND, May 27.—Asserting the Cleveland board of education took "illegal" action by appointing a new school superintendent at a secret session, Board Member Alfred A. Benesch said today he would demand a new election in an open meeting.

Appointment of Mark C. Schineller by a 4-3 vote as new head of Cleveland's public schools, succeeding Charles H. Lake, was announced yesterday, but actually took place at a "star chamber" session Friday, said Benesch.

Lake was given a new post of consultant for a two-year term at a salary of \$10,000 annually in the board's appointment.

Graduate At Wellsville WELLSVILLE, May 27.—Diplomas were awarded 111 seniors at high school commencement last night.

Hoover Pleads For More Foreign Aid

WASHINGTON, May 27.—Herbert Hoover, after unloading a fresh blast at Russia, undertook the job today of trying to pry a \$725,000,000 relief fund for occupied countries out of the economy-minded house appropriations committee.

In advance of the former Republican president's appearance at a closed-door session, committee members told reporters they want the answers to many questions before they approve spending any more American money abroad.

"I want to hear all the evidence before I reach a verdict," said

Chairman Taber (NY), spearhead of the Republican economy drive. "There are a lot of things I want to know about and I hope Mr. Hoover is in a position to answer them."

Rep. Albert Engel (R-Mich.), chairman of the subcommittee directly interested in the relief program, wouldn't comment in advance of Hoover's testimony, but like Taber, indicated he has many questions to ask.

The former president has said that unless the full \$725,000,000 War department request is approved, "millions of people under our flags" will die of starvation. The amount needed, he said, is about the same that was provided for the current year "and this year's experience demonstrates how near starvation is in these countries."

Women's Club Inducts New Officers At Dinner Party

Mrs. Helen Biggers, member of the Niles club and District 4 director, installed new officers of the Business and Professional Women's club at a dinner meeting Monday evening in the Presbyterian church social hall, which was one of the most charmingly appointed social events of the season.

The stage was set with a profusion of branches of dogwood and lilacs arranged in a garden scene, making a lovely background for the candle-light rites.

Miss Gertrude Butera, who has guided the activities of the club since its organization less than a year ago, was installed as president for another term. In appreciation

of her work she was given a gavel guard pin by the club with Mrs. Pearl Koenreich, retiring vice president making the presentation.

Other officers for the 1947-48 season are:

Vice president, Mrs. Frank Byerley; secretary, Miss Adda Firestone; treasurer, Miss Jean Munsell.

Committee Chairmen
Committee chairmen included in the installation ceremony were:

Ruth Cosgrove, education and vocation; membership, Jean Scullion; finance, Elma Satterthwaite; news service, Aurelia Miller; health and safety, Harriet Alaback; music, Martha Chappell; international relations, Helen Huber; public affairs, Aileen Himmelspach; legislation, Margaret Zilavy; co-ordination, Dolores Steffel; parliamentarian, Helen Prudner, retiring secretary.

Fifteen new members, announced by the retiring membership chairman, Mrs. Lee Walpert, were welcomed. They included:

Mrs. Harold Babb, Martha Campbell, Mrs. Thomas Corrigan, Elizabeth Dales, Ethel Earley, Elizabeth Leonard, Renee O'Keefe, Eleanor Schellart, Daisy Winder, Stella Vacar, Nancy Tressler, Betty Zarndt, Martha Chappell, Charlotte Wilson and Ann Clark. The club has a membership of 73.

The program theme, "Onward We Sail," was emphasized in the beautiful table appointments. Favors were sail boats made of shells and filled with candy, while the place cards were designs of sail boats outlined in tiny shells. Arrangements of spring flowers and vari-colored candles, set with pansy and lilac bases completed the decorative scheme of pastel shades. Places were arranged for 66 members and guests. Corsages were given each guest.

Miss Butera introduced Miss Naomi Shinn, toastmistress, who announced the program.

For the invocation, Mrs. Herbert Yingling sang "The Lord's Prayer."

Sings Two Numbers
Mrs. Loren Early entertained with two vocal solos, "A May Morning" (Rubens) and "I Love The Moon" (Denzel). Miss Anna Cooke was the accompanist.

Mrs. Biggers reviewed the ideals of the organization.

The Salem club was commended at the recent state meeting in Dayton for its 1946-47 activities, which included a hospital project. The club gave \$100 gifts to Salem City hospital and the Central Clinic.

Miss Naomi Shinn and Miss Dolores Steffel, chairman and co-chairman of the program co-ordination committee, respectively, which includes all member chairmen, arranged this party.

Special guests included Mrs. Laura Conrad, president of the Salem Quota club; Mrs. Elizabeth Baker, secretary of the Salem Business Bureau; Mrs. Raymond Stiver, president of the Salem Garden club and Miss Pearl Walker, social reporter of The Salem News.

Out of town guests were Miss Alice Johnson, president of the Niles club; Mrs. Lola Rock and Mrs. Clifford Wheeler of Warren; Miss Ruth Leonard of Alliance and Mrs. Lillian Miller and Mrs. Pat Art of Wellsville.

Gold Star Auxiliary Holds Meeting
Members of the Gold Star auxiliary of the Veterans of Foreign Wars met Monday night in the VFW hall.

Thirty-eight attended the session, which was presided over by Miss Nancy Coccia.

Members are requested to meet at the hall at 9:30 a. m. Friday for the Memorial day parade. A dinner will be served at noon, following the parade.

The June lunch committee, including Mrs. Kermit Wilson, Mrs. Alenzo Birkhimer and Mrs. Nick Hatzagan, was named by the president.

Meet On Wednesday
Monthly meeting of the Daughters of Emmanuel of the Emmanuel Lutheran church will be held at 7:30 p. m. Wednesday in the church.

The devotion topic, "Lord—What Wilt Thou Have Me Do?", will be in charge of Mrs. John Bauman.

Increase College Fee At Cleveland Schools

CLEVELAND, May 27.—Increases in fees ranging up to \$50 for most students at Western Reserve univer-

When It's DDT Time in Tokyo

Tokyo school children take turns before spray guns loaded with DDT powder as health authorities take steps to check epidemic of lice. Here small boys, whose heads are shaved according to an age-old custom, fight back sneezes while bushy-haired girls, usually the worst carriers, get dusted.

sity and \$25 hikes for some pupils at Penn college were announced by officials of the two schools.

Fees will be raised from \$375 a year to \$420 for schools at Western Reserve, with the exception of a \$50 hike to \$475 for the School of Dentistry, \$40 to \$90 for Schools of Law and Library Science, and no increase over the current \$600 law school fee.

At Penn, \$25 increases will be

levied upon students in Engineering, arts and sciences and business administration course in September.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach
With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 5 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion so you can feel really good again.

Buy Carter's Pills today. "Unblock" your intestinal tract for real relief from indigestion.

Summertime Means Playtime; Motorists Should Drive Slowly

Schools soon will be closed for the summer vacation. Albert P. Morris, manager of the Columbiana County Automobile club, reminds motorists.

With members of School Safety patrols also on vacation, pupils will be on their own during the vacation months.

All motorists are urged to be especially careful when driving in the vicinity of school and playground areas. Boys and girls, free from their studies, are apt to forget momentarily the safety lessons they have learned and may run into the street without warning. Care is also urged in residential areas where children will be playing many hours of the day.

The job of protecting children during the summer months is a joint responsibility of parents and motorists. If parents will constantly remind their children of the dangers of traffic, and motorists will exercise the utmost caution, it is possible to keep traffic accidents occurring to children down to a minimum this summer. TAKE IT EASY and protect the children!

Germ War Report

PRESIDENT of the American Association of Scientific Workers, Dr. Maurice B. Visscher announces in Chicago the publication of a 40,000-word technical summary of all that was known about the potentialities of bacterial warfare up to 1942. Dr. Visscher declares the U. S. "might be vulnerable" to bacterial warfare because of geographical isolation. (International)

Battleship Nevada Enroute To Hawaii For A-Bomb Studies

HONOLULU, May 27.—The battleship Nevada, only capital ship to get under way during the disastrous surprise attack on Pearl Harbor Dec. 7, 1941, will be coming into that same harbor again about June 10, towed by two tugs at the end of 1,000 yards of cable.

Nicknamed "Old Imperishable" after her experience in the European war theater, the Nevada was the battleship ship of the Bikini atom bomb target fleet last summer. She survived both aerial and sub-sur-

face bombings, and began her 2,000-mile trip back from Kawaiaele to Pearl Harbor on May 21.

The Navy wants to conduct more research into the bombs' most deadly byproduct—radioactivity—and will study the Nevada for methods of decontamination.

Among other target ships still at Kawaiaele, the Navy is particularly interested in the transports Briscow, Brule, Dawson, Fallon, the destroyers Mugford, Stack and Rhine, and the concrete barge Yog 83.

The submarine Skate and Skip-

jack are undergoing study at Mare Island, Calif., while the transports Crittenden and Gasconade are being tested at the Navy's radiation laboratory at Hunters Point, Calif. The carrier Independence also will be studied in California.

Among other target ships, the cruisers Pensacola and Salt Lake City and the destroyer Hughes are assigned to Bremerton, Wash.

Safety standards for personnel working on all these target ships are higher than those for X-ray work and are rigidly enforced.

Former Rep. Bittinger Dies Suddenly At 61

COLUMBUS, May 27—J. Freer Bittinger of Ashland, O., who figured in a dramatic speakership election in the house of the state legislature in 1935, died here yesterday at the age of 61.

Bittinger was stricken at Beulah park, where he had been employed recently as a cashier, and died in an ambulance en route to Mt. Carmel hospital.

For many years prominent in Democratic politics, Bittinger served as chairman of the Democratic state executive committee from 1940 to 1942.

He was elected speaker at a time when the house was controlled by Republicans with 68 seats to 67 for the Democrats. But the house divided on the final vote and elected Bittinger who served as speaker during Gov. Martin L. Davey's first term. Bittinger was praised by Davey as the "best speaker the house ever had."

In 1928 he was one of the only 11 Democrats elected to the legislature. He served as minority floor leader in the house in 1931.

He is survived by his widow, a son, Ritchie, and a daughter, Mary. Arrangements were made to take the body today to Ashland for funeral services and burial.

OBITUARY

MRS. THOMAS BEITLER

Mrs. Amelia Beitler, 92, of Greenford died at 5:30 a. m. today at the Mayhew Nursing home. She was the widow of Thomas Beitler.

She was born March 28, 1855 in Greenford, the daughter of Gustav and Katherine Zwissler.

A son, Charles G. Beitler, preceded her in death.

Funeral service will be held at 3:30 p. m. Thursday at the Stark Memorial. Burial will be in Greenford cemetery.

Friends may call at the funeral home Wednesday evening.

MRS. AUGUST WIKMAN

Mrs. Maria Wikman, 71, of 611 W. Wilson st., died at 2:50 a. m. today at the family home following a 12-year illness.

Born in Holland Sept. 21, 1875.

RETRIAL MOTION IN UNION CASE FILED

LISBON, May 27—Motion for a new trial was filed Monday in common pleas court in the labor union contempt hearing in which Judge Joel H. Sharp found two members of the United Steel Workers of America, Local 3790, including President Paul Wayt and Anthony Covert guilty of disobeying a restraining order granted in the court here May 14.

The motion filed by defense attorneys set forth six grounds of error.

A restraining order was granted by the court upon application of the F. C. Russell Co. of Columbiana against officials and members of Local 3790 whose membership has been on strike since May 8.

The temporary order of the court which was continued until the final hearing of the case, limits the union to two pickets at the plant entrance.

Wayt and Covert were each fined \$200 and sentenced to one week in jail, but the court suspended the sentence and \$150 of the fine pending good behavior and payment of the fines have now been held up pending a ruling on the motion for a new trial. No date for hearing the motion has yet been made.

Sent To Prison

WARREN, May 27—Guy Shifano, 25, of Lowellville (Mahoning county) has been sentenced to one to 20 years in Ohio reformatory at Mansfield on a manslaughter charge.

St. Louis Cardinals Showing Revival Of Championship Form

DYER MEN SHOW PEP AGAIN AS THE CAT WINS

Skeptics Counting Champs Out of Race, But New Spirit Seems There

By JOE REICHLER
Associated Press Sports Writer

Skeptics who have counted the St. Louis Cardinals out of the National league pennant race apparently did not reckon with Harry (The Cat) Brehnen.

"This true world champions are still in the cellar today six games behind the first place New York Giants, but the revived Red Birds, from Manager Eddie Dyer down, feel confident that the club will claw its way up there pretty soon, especially if The Cat continues to display his early season cunning."

He has won five of his first seven starts, allowed only 13 runs and 47 hits in 62 innings and finished every game he started.

His latest victory, a 3-1 triumph over the Chicago Cubs last night in St. Louis was the fourth win in the last five starts for the up and coming Cards.

Brehnen allowed only five hits and lost his shutout in the ninth when a walk to Phil Cavarretta, a pinch single by Clyde McCullough and a fly by Don Johnson produced a Cub run.

The largest crowd ever to see a single game—cheered itself hoarse as the rejuvenated New York Yankees continued their bombardment of Boston Red Sox pitchers by flattening the American league champions, 9-3 in a night game.

Joelito Joe DiMaggio, finally displaying the form that made him a pre-war great, and Bill Johnson each knocked in four runs. DiMaggio delivered the big blow, a three-run fifth inning home run off Joe Dobson which broke a 3-3 deadlock. The Yankees now have won five straight.

The Tigers retained their three-game margin over the second place Yanks by a 1-0 score against the Cleveland Indians in Detroit. Left-hander Stubby Overmire, making his first start of the season, limited the Indians to six hits in registering the shutout. A home run by Eddie Lake, diminutive shortstop, in the sixth inning off Don Black, accounted for the only score.

Kirby Higbe won his first game for Pittsburgh since his purchase from the Brooklyn Dodgers three weeks ago, when he pitched the

FELLER TO MAKE A TRY AT ENDING TRIBE'S STREAK

Rapid Robert Gets Nod From Boudreau Today At Detroit

(By Associated Press)
DETROIT, May 27.—Bobby Feller, the Cleveland Indians' top insurance policy against losing streaks, draws the assignment today of snapping a two-game string of Tribe losses against the league-leading Detroit Tigers.

The hot-and-cold Indians remained on the frigid side yesterday as they suffered their fifth shut-out of the season, 1-0, at the hands of Stubby Overmire, substitute Detroit hurler.

Don Black held the Tigers to one tally—Eddie Lake's sixth inning homer.

Cleveland threatened in the fourth when George Metkovich and Lou Bourdeau cracked singles, but a fast double play squelched the threat. Les Fleming contributed a pinch single in the eighth and advanced on an error, but two Tribe hitters failed to produce.

Burly Pat Seery, Tribe left fielder, fanned for his 29th time in 25 games and extending his string of hitless appearances at the plate to 13.

Cleveland's defeat, coupled with the New York Yankees' victory over Boston, toppled the Tribe into third place.

Glenn Thorne's Tumble In Mile Saturday Same Trouble Paul Roelen Had

By ROBERT DIXON

The misfortune which befell Salem's ace miler, Glenn Thorne, Saturday when he fell and was injured in the first 25 yards of the four lap feature of the NEO district meet, brought to mind a similar accident involving a Salem miler just 10 years ago this week.

Back in 1937 Fred Cope's track team was captained by a wiry, diminutive athlete, Paul "Shag" Roelen. The state cross country champion, Roelen lost few mile races during his Junior and Senior years in school. He copped the district meet of '37 by 75 yards in 4 minutes, 33 seconds.

He was given an even chance to win the state mile, his only close competitor, on a basis of comparative times, was Leahy of Cleveland East Tech.

Roelen trailed Leahy during the first three laps of the mile in Columbus, but made his usual lap bid just after the starter's gun announced the start of the final 440 yards.

As he passed Leahy by two full strides and began to cut for the inside lane, Leahy increased his speed to keep Roelen from getting the pole position. In doing so he kicked Roelen's left foot and the Salem lad dove into the cinders. He was badly cut and bruised by the fall and was unable to finish the race.

Leahy went on to set a new state record, at that time, in 4:30.9 minutes.

Coach Fred Cope still believes that "Shag" would have copped that mile run had he not been tripped. It was a tough break for a Senior running his last race.

Thorne's accident Saturday was equally tough to take. The slender Senior has worked hard the past three years, slowly paring seconds off his time until he reached the very creditable time of 4:39 minutes in the McKinley Relays three weeks ago. He was favored to at least take a second place in the district meet.

His best time as a Sophomore was 5:28, which he cut to 4:52 last season, giving evidence of his hard work on the event. Cope is loud in his praise for the youth and claims that Thorne did not miss a single practice in three years of track competition.

That he got up Saturday and finished the race was a strong testimony of his courage. At the end of the first lap, he led the entire field but the leg injury took too much out of him. He faltered and finished in tenth place.

His right knee and leg were skinned deeply for 12 inches.

Thorne plans to attend Mt. Union college next fall, where he will continue to run.

His mishap, very similar to Roelen's, spoiled a wonderful chance for his best effort in High school competition.

Crescents Defeat Nationals Monday

Two games were washed out, one was played and another forfeited on the four game Class A slate at Centennial park Monday evening, as the rain fell in large doses.

The lone tilt that will officially go on the books was a victory for the American league Crescents over the Nationals by a 4-0 count.

Both teams collected three hits, as good twirling was turned in by both Johnny McQuiston of the Crescents and Bill Sheen of the Nationals. Fielding lapses cost the Nats the tilt.

The Crescents pushed over three of their runs in the third inning, during which they bunched all their hits. Two errors aided the rally.

Still undefeated, the Crescents moved one notch closer to the leading Diner nine, who have played two more games.

In the National loop the Golden Eagle was awarded a 9-0 forfeit when the Printz club, trailing 6-0 in the fourth inning, refused to continue the game during a lapse in the rain. It was their claim that the field was not in a fit condition to play.

Both leagues had the second games rained out.

Ship Without Port Afloat On Lake Erie

(By Associated Press)
CLEVELAND, May 27.—Union dockworkers established a boycott today against the S. S. Jupiter—a "ship without a port"—as the freighter roamed Lake Erie.

"We have all coal ports covered by our men, and we are ready to set up picket lines if the Jupiter attempt to take on cargo," Sam Waitzman, local publicist of the CIO-National Maritime union, reported.

Since leaving Detroit and her 24 striking crew members Friday night, the 7,000-ton bulk cargo vessel, skirted two Lake Erie ports but did not attempt to dock at either city, Waitzman said.

After touching at Sandusky, O., the Jupiter arrived at Fairport Harbor early yesterday, but left after "hanging around" the harbor, he said, adding that the ship probably would experience difficulties at all ports because of union dockworkers' refusal to load the vessel.

Sings for Health

NO WHEELCHAIR can confine 10-year-old Shirley Adams' musical talents, for the young Altadena, Cal., arthritis victim is literally singing her way back to health. Stricken a year ago, the dimple-cheeked girl is making a "miraculous recovery," according to doctors, who attribute it to her singing.

GUARDING YOUR HEALTH

One Cause of a Backache

By HERMAN N. BUNDESEN, M.D.
WHO among us has not at some time or other been afflicted with severe pain in the back? Very few, yet all too often we put up with it while it lasts, and after it is over attribute it rather vaguely to "lumbago."

As a matter of fact such pain often indicates renal colic. This condition is caused by violent contractions of the muscular wall of the tube which leads from the kidney to the bladder. Doctors call this tube the ureter.

Painful Location
Painful contractions in this location are due to some blocking of the ureter and this, in turn, may be caused by many things. For example, a small stone or dried blood clot. On the other hand, bending, or twisting of the ureter because of a movable kidney may be responsible.

Perhaps the most common cause of renal colic is the passing of a small stone through the narrow passageway of the ureter. These stones may be made up of various substances such as calcium oxalate or calcium carbonate, uric acid, or various phosphates. The exact cause for formation of kidney stones is still not known. Diet, infections, and chemical changes in the urine all may play a part.

Agonizing Type
The pain produced by renal colic is perhaps one of the most agonizing

types of pain from which people may suffer. The pain is deep in the back and may pass generally into the groin. The pain may be continuous for hours. There may be some tenderness or rigidity or stiffness of the muscles over the affected side. Usually some blood is present in the urine.

The diagnosis of renal colic is usually not difficult because the pain is so severe, and, often, there is blood present in the urine. An X-ray examination is of course valuable in making a diagnosis. Conditions which may produce symptoms like those of renal colic are appendicitis, gallstones, spasms of the bowel, and tumors of the kidney.

Pain-Relieving Drug
The treatment which Dr. Thomas L. Hardy, of Birmingham, England, advises, is the giving of a sedative or pain-relieving drug as soon as the diagnosis of renal colic has been made. Such substances as the nitrites may be of help since they tend to relax muscle spasm. They are taken under the directions of the physician.

Heat applied over the abdomen and the back may also be helpful in relieving the symptoms. The patient is kept in bed until the attack has completely cleared up. The giving of plenty of fluids, at least five pints in twenty-four hours, is advisable. In many instances, a small stone may pass through the ureter and

into the urinary bladder, whereupon the pain clears up. In some cases, it may be necessary to perform an operation to remove the stones.

It is important, if a stone is passed, or removed, that it be analyzed to determine its chemical makeup so that regulation of the diet may be used in an effort to prevent the formation of other stones. For example, some kidney stones are made of oxalate. Food such as rhubarb, tomatoes, strawberries, spinach, and asparagus contain a high content of oxalate and should be avoided by a person with oxalate kidney stones. However, if they are eaten with a generous amount of fats, the oxalates form a soapy substance in the intestines which is not taken up by the body, and thus the oxalate-containing foods will cause no difficulty.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th st., New York City.

College Debt-Free

ADA, May 27.—Ohio Northern university is debt free for the first time in its 76-year history.

Dr. Robert O. McClure, university president, said all outstanding obligations are paid off and announced today that the occasion would be celebrated at an alumni banquet May 31.

Robert Taylor Knocked In Soviet Newspapers

MOSCOW, May 27.—American Film Star Robert Taylor was taken to task in Izvestia yesterday because, a writer in the government paper said, he had revealed a lack of political "morality" in his recent testimony to a U. S. congressional committee investigating Communism in Hollywood.

The attack was authored by A. M. Gerasimov, a Stalin movie prizewinner in 1943, who said that Taylor by his own testimony had played the lead in the movie "Song of Russia" during the war against his own wishes and under the duress of American officials.

Help Get Food Digested to
Relieve Yourself of This
Nervous Distress

Do you feel all puffed-up and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief in helping your stomach do the job—it should be doing—in the digestion of its food.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-
